## MINUTES OF NSI GENERAL BODY MEETING HELD ON DECEMBER 17<sup>th</sup> 2011 AT NIMHANS CONVENTION CENTRE, BANGALORE

Dr. V K Jain, President, Neurological Society of India, chaired the meeting.

**2011/Dec/GB/01** The meeting was called to order by the President

**2011/Dec/GB/02 *Minutes of EC meeting including Secretary's report*** - Dr. Rajshekhar pointed out the salient points of the outcome of the EC meeting held on 14<sup>th</sup> December 2011.

The Secretary pointed out that the January 2012 Newsletter shall be the last newsletter that will be posted to members without email addresses. After that the Newsletter will only be distributed electronically.

The General Body approved the Secretary's report.

**2011/Dec/GB/02A *Letter from Dr. V. G. Ramesh*** - regarding NSI to have regional representation in the NSI Executive Committee. He would like to bring an amendment to the by-law of NSI to state that EC will have one member representing each of the 5 Zones of India, namely, North Zone, Central Zone, East Zone, West Zone and South Zone.

EC discussed these points and they decided that this would not be a wise decision to follow through. It was decided that we are stronger with the present arrangements and EC should be open to all Life Members of the Society.

The General Body also agreed with continuing the present arrangement.

**2011/Dec/GB/02B *Letter from Dr. V. G. Ramesh - starting sub-speciality sections of NSI***

EC discussed these issues and felt that it may not be possible at this juncture due to reasons mentioned in the EC minutes.

It was however, decided to involve the Presidents (or their nominees) of sub specialty societies in the formation of the scientific program of the annual conference. Hence they will be included in the Scientific Committee of the Annual Conference from 2012 onwards.

**2011/Dec/GB/03 *Changes to the Constitution and Byelaws*** - Notices were published in the June 2011 Newsletter. No objections or suggestions for changes were received by the Secretary except a letter from Dr. B J Damany that has been already incorporated. The Secretary read out the changes to the Constitution and Byelaws.

All the changes were passed without dissent.

Proposed by Dr. C E Deopjuari and Seconded by Dr. Keki Turel, Dr. R C Mishra, Dr. Damany
