

Bio data of V P Singh

General Achievements

Did my MBBS and 5 years M.Ch. Neurosurgery at AIIMS in 1988. Had further training in Newcastle upon Tyne & Sheffield, UK. Worked initially in KGMC, Lucknow & later at AIIMS, New Delhi where I became Additional Professor and Unit Head. Subsequently shifted to private practice in 2002 and worked at VIMHANS & later at Indraprastha Apollo Hospitals, New Delhi where I am a Senior Consultant and Academic Coordinator for neurosurgery.

Contribution to Neurological Society of India

Have been an active member of Neurological Society of India since 1985. Have served on the Executive Committee from 2012 to 2014. I was the CME Convenor and the first Coordinator of the Private Practitioners Forum. In 2015 took over as the Secretary of the Society. Have worked to showcase Indian neurosurgery to the world through several friendship meetings with other Societies. Have started new initiatives including the Super Specialty CME, the NSI books, the Legal Forum and Women in Neurosciences Forum. Have contributed towards making a new dynamic NSI responsive to the needs of all its members.

Contribution to Neurosciences

Have trained and been a mentor to several students of M.Ch. and D.N.B. Neurosurgery. Pioneered epilepsy surgery in India at AIIMS. Started Gamma Knife radiosurgery at AIIMS. Have special interests in cerebrovascular surgery, stereotactic and functional neurosurgery, pediatric neurosurgery and neuro-oncology. Have over 70 publications in national and international journals. Have been the Editor of the Journal of Pediatric Neurosciences for 6 years. Have been actively involved both in NSI and super-specialty neurosurgical societies. Have been Past President of Indian Society for Stereotactic and Functional Neurosurgery. Am currently the President of Cerebrovascular Society of India.
